

Spring Work Day 2018
April 28, 2018 @ 9:30 am

WORKDAY PROJECTS:

1.) Grounds:

- a. Weed killer around Volley Ball court. Sand (need to bring in additional clean sand) and place new polls (next to barn) to regulation size.
- b. Property lines – need staked out with metal poles. Need professionally surveyed first (cost prohibitive – suggest we find out fence stakes and place new ones).
- c. Brush along edge of road going to rope course needs pulled out and burned. (Gordon Miller can get permit to burn, just need assistance in watching it and cutting good wood out).
- d. Flood lights between dining hall/administration room do not work.
- e. Cord to flag pole needs to be reattached.
- f. Wood chips made and spread.
- g. Weed playscape area.
- h. Need flowers – then planted.
- i. Rake fire pit area and stack wood.

2.) Recreation Room:

- a. Window sills cleaned.
- b. Staff rooms cleaned.
- c. Speaker's in staff rooms need repaired.

3.) Dorm's:

- a. Boy's/girl's dorm rooms need painted.
- b. Girl's west bathroom needs paper towel dispenser re-hung.
- c. Water heater room for boys dorm needs corner bracing and drywall taping done.
- d. Cover's for windows in bathrooms for storm protection.
- e. Clean all bathrooms and dorms.
- f. Replace missing curtain rods.
- g. Paint floors in all dorm rooms.

h. Power wash outside walls.

4.) Dining Hall:

- a. Paint the metal stalls in both bathrooms (with rustoleum product).
- b. Concrete outside kitchen/canteen needs repaired or replaced.
- c. Sidewalk next to east door uneven, needs repaired.
- d. Outside doors to dining area and chapel need weather stripping.
- e. Touch-up the kitchen floor.
- f. New lights inside.
- g. Clean kitchen.

5.) Nature Camp:

- a. Wood chips.
- b. Fill in low spots with fill.
- c. Low area between fire bowl and nature camp – wet area attracting mosquitoes. Drain to pond?
- d. Split stack wood.
- e. Repair/replace picnic benches.
- f. Need new tree limbs that line the walkway and parking area.

6.) Nurses station:

- a. Pipe sticking out of floor, needs removed.
- b. Trim on floor for sick room is sticking up – needs flattened out and nailed down.
- c. Storage container for supplies
- d. Area between outside door and screen door needs wallboard repaired and room needs fresh paint.
- e. New carpet

7.) Misc.:

- a. Barn – need to decide how we are going to paint front of barn.
- b. Paint basketball posts.
- c. New activities added to the obstacle course.

- d. Paint outside trim around all exterior doors.
- e. Look at all picnic tables and repair if needed.
